

INSTANT COLOUR CONTAINER GARDEN

A perfect way to add impact with colour to your home's entrance or outdoor entertaining area.

Impress your guests. Immediate satisfaction and impact.

1. Make your purchase of a decorative pot or hanging basket.
2. Select any potted colour flowering annual at your nearest garden centre making sure to look out for the lime green and red pottedcolour.com.au pot. (enough to fill your chosen container).
3. Fill container $\frac{3}{4}$ full of premium potting soil.
4. Remove plant from pot.
5. Loosen roots and place plant on top of the soil in the pot. The base of the plant should be a few centimeters from the rim of the pot to allow for watering.
6. Fill around plants with more soil, to top up container.
7. Water thoroughly and place in a sunny position

Time to complete: 15 minutes
